

# ACCEPTABLE USE POLICY FOR NETWORK AND INTERNET

(Sign and return to library for access to school computers)

- *I understand that access to school computers is a privilege that I must use in a responsible manner.*
- *I understand that I may only use school computers to access information for educational purposes; not for personal email, chat rooms, or to make purchases.*
- *I understand that I must have a student and parent signed Acceptable Use Policy to use the school computers.*
- *I understand that I may only use school computers under the supervision of a teacher or staff member and, if I encounter an inappropriate site on the internet, I will tell the teacher or staff member immediately.*
- *I will be courteous and respect the rights of others who I encounter on the internet.*
- *I will not upload, transmit or print any information without a teacher's permission.*
- *I will never give personal information (full name, address, phone number, or email address, etc.) about myself or any other person when using the internet.*

**Failure to follow this policy may result in loss or restriction of access to this learning resource.**
